Brian Beaulieu

Travels from: New Hampshire

Fee Range: \$15,001 - \$20,000

Brian Beaulieu has been providing workshops and economic analysis seminars in 7 countries to literally thousands of business owners and executives for more than 30 years. During that period he has also been consulting with companies who need a domestic and global perspective on how to forecast, plan and increase their profits based on business cycle trend analysis.

He is co-author of *Prosperity in the Age of Decline*, a powerful look at how to make the most of the US and global trends over the next 20 years. Brian also co-authored *Make Your Move*, a practical and insightful guide on increasing profits through business cycle changes and noted by one reviewer as “simple, yet awesome.”

He is on the Board of Directors of the Ariens Company, a global leading manufacturer of outdoor power equipment, and a member of the Investment Committee for NorthStar Financial Services, CLS Investments in Omaha, Nebraska. Brian is also Chief Economist for Vistage International, a global organization of CEOs comprising over 16,000 members.

Brian’s views have appeared in/on: the *Wall Street Journal*, *New York Times*, *Barron’s*, *USA Today*, CNBC TV, FOX Business TV, Knight Ridder News Services, Reuters, CBS Radio, *The Washington Times*, *Forbes*, *Atlanta Journal Constitution*, KERA TV, Canadian TV and numerous other outlets. He is a regular columnist and contributing economist to national trade associations and publications.

Most Requested Programs...

Brian’s presentations cover a wide variety of topics including short- and long-term global economic forecasts, regional economic updates, an outlook on inflation, and the relationship of political events and economic growth. He details what economic indicators executives should follow and provides proven strategies for leveraging economic forecasts at the company level.
