For years, clean comedians Joe Brinnon & Steve Marks have been performing musical comedy that's a guaranteed hit with audiences everywhere! And now Brinnon & Marks features musician/singer/songwriter/actor Austin Marks!

Brinnon & Marks create hilarious characters, songs and skits that involve your group both on stage and out into the audience. The end result is a high-energy musical comedy act that will keep everyone laughing from beginning to end!

Tons of music, loads of impersonations and great variety! It's a Branson/Vegas-style clean musical comedy act. Super clean and non-offensive, the act appeals to people from all walks of life; whether it's a group of factory workers, nuclear engineers, fire fighters, doctor's, administrative specialists, or executive CEO's, they're always a hit. They mix in a boatload of impersonations, add two parts of audience participation, pour in a gallon of customization by singing and writing skits about your company's slogans, products, and management and BAM! A show that leaves everyone in your audience breathless (especially Brinnon & Marks, since they do these killer big drum sections).

Brinnon & Marks have performed all over the USA and parts of the world for clients such as Discover Card, GE, Nestles, Sara Lee, Amway, Hardees, KPMG, Major/Minor Baseball League, Fellowship of Christian Athletes, Oreck Vacuum, Sun Life Clarica, Arbonne, and Juice Plus- NSA; leaving their audiences with the same condition... face and belly pain from so much laughing!!

Brinnon & Marks will write a show for your event that your group will love. They'll play instruments and perform a huge variety of musical styles, genres and crazy skits. Wild impersonations like Shaggy, Johnny Cash, Arnold Schwarzenegger, Backstreet Boys, Jimmy Stewart, Michael McDonald, Bob Dylan, Al Jarreau, Anita Baker, Bill Clinton, George Bush, Ronald Reagan, Elvis, Frankie Valley, The Eagles, Motown, Brooks & Dunn, The Bee Gee's, Joe Cocker, Johnny Mathis, Hillbilly Opera and more. They'll even get your top management or team leaders up on stage to help with songs, skits or dances. Also, since the show is customized for your event, your audience won't feel like they are watching another cookie cutter act doing a cookie cutter show. Not heard of Brinnon and Marks? Just read some of the comments from their satisfied clients and give them a call to have Joe talk to you as Bill Clinton or better yet, to book Brinnon & Marks for your next event!
