Chris Gomez

Travels from: Texas

Fee Range: \$15,001 - \$20,000

Chris is a decorated former Navy SEAL with twelve years in the Naval Special Warfare (NSW) community serving as a medic and SEAL Instructor. During his time in the SEAL Teams, Chris was able to qualify as a Master Training Specialist, HRST Master, Diving Supervisor, Range Safety Officer, Free-fall and static line parachutist, Nationally Registered Paramedic (former), and numerous other NSW qualifications.

As a SEAL Instructor, he evaluated, trained, and mentored hundreds of SEALs through a litany of high-risk training. Many of these students have gone on to do amazing things in the Global War on Terror.

Along with his SPECWAR career, Chris also served as a Navy Supply Corps Officer for nearly 9 years, growing his leadership talent further. Known as the MBAs of the Navy, he was able to gain tremendous experience as a Business Financial Manager and Government Acquisition professional.

Recently retired from Military service, Chris is excited to combine his experience from working with the best the military has to offer with his newly minted Master of Business Administration from the University of Texas to produce amazing results for your corporation.

U.S. Navy SEAL Keynote - U.S. Navy SEALs are forged by some of the most intensive selection and training processes of any elite military professional in the world. They are a special breed of warrior, capable of conducting missions in any environment. Often operating silently under the cover of darkness, they possess a relentless commitment to individual initiative, personal responsibility and mission accomplishment.

Learn how the U.S. Navy SEALs selected, trained, planned, led and executed their missions all over the globe. Navy SEAL speakers share the tools and techniques SEAL teams use to thrive and survive in rapidly changing and hostile environments. Learn how you, too, can apply those same tools to any business situation, anytime, anywhere. This exciting, interactive high impact one hour keynote highlights the process the SEALs use to ensure they achieve mission success, and then applies that same process to you and your team. Imagine hearing first hand stories about real-world missions that demonstrate how to leverage this incredible process to drive initiative, accountability and achievement—just like the SEALs.
