Since beginning her consulting and training practice in 1980, Eileen has become noted for her ability to speak the truth with clarity, wisdom, humor and compassion. Long-standing clients and repeat engagements attest to her commitment to make a difference in minds, hearts and spirits of organizations and individuals.

She draws upon practical business know-how, life's experiences and years of consulting to major national and international organizations that have ranged from global pharmaceuticals to the US Armed Forces, from health care associations to religious institutions. Executive Excellence magazine selected her as one of the top 100 thought leaders in leadership and among the top ten consultant providers of leadership development.

She authored *Work for a Living & Still Be Free to Live*, the first book on work/life balance - a topic that placed her as a futurist in this issue and continues to be published in revised editions. Her second book, *The Resilient Spirit*, is found from South Africa to California. *Talk Ain't Cheap... It's Priceless - Connecting in a Disconnected World* can be found in offices around the world. Her newest book, *Gifts from the Mountain: Simple Truths for Life's Complexities*, is a featured title with award-winning publisher, Berrett Koehler.

She's been a guest on CNN as well as other television and radio programs and has created an exciting Chicago-based radio commentary, *Celebrating the Human Spirit*. She is a featured author in *A Women's Way to Incredible Success: Real Life Lessons from 20 Prominent Business Women* and a contributing author in *Meditations for the Road Warrior*. Her three-part video training program, *Engaging the Spirit of Nurse Leadership* is in constant demand within the healthcare arena.

Clients have ranged from American Airlines to Xerox, from 3M to IBM, from drill foremen in the Arctic to juvenile offenders in prison. She served as one of ten faculty members in a business television series, *Reclaiming Business Excellence* and has headlined with speakers like NBA Coach Pat Riley, Notre Dame's former coach Lou Holtz, Dr. Ken Blanchard, executive strategist Marshall Goldsmith, William Bridges and boardroom poet, David Whyte.

Eileen is a certified speaking professional (CSP) and her election into the CPAE Speaker Hall of Fame places her among the top 3% of the 4000-member National Speakers Association. She's served two three-year terms on the Board of Directors of NSA and also currently on the national board for *Take Back Your Time*, an international initiative for work/life integration practices. Eileen's articles are published on- and off-line around the world and she frequently offers her insight in her "Plain Talk" blog.
