Faisal Hoque

Travels from: **New York**

Fee Range: **\$10,001 - \$15,000**

Serial entrepreneur, thought leader, author and keynote speaker Faisal Hoque is the founder of SHADOKA and other companies. SHADOKA enables entrepreneurship, growth and social impact with its framework, digital platforms and thought leadership.

What sets Faisal apart is the unique position and perspective he has always maintained, which is grounded in a hardcore technology with deep roots in leading-edge management science and mindful entrepreneurship. His intense curiosity has always led him to explore disruptive approaches to solving complex business problems.

Author of several books, his newest book is *Everything Connects - How to Transform and Lead in the Age of Creativity, Innovation and Sustainability* (McGraw Hill, Spring 2014). His forthcoming book is *Survive to Thrive - 27 Practices of Resilient Entrepreneurs, Innovators, and Leaders* (Motivational Press, 2015).

Formerly of GE and other global brands, he regularly contributes to *Fast Company*, *Business Insider* and *Huffington Post*. His work has also appeared in the *Wall Street Journal*, *BusinessWeek*, *Mergers & Acquisitions*, *Forbes* and *Leadership Excellence* among other publications. Thousands of people follow Faisal on social media. His work is frequently shared globally by entrepreneurs, executives, corporations, academia, educators and celebrities alike.

American Management Association (AMA) named him as one of the Leaders to Watch in 2015. The editors of *Ziff-Davis Enterprise* named him as one of the Top 100 Most Influential People in Technology alongside leading entrepreneurs such as Steve Jobs, Bill Gates, Michael Dell, Larry Page and others. Trust Across America-Trust Around the World (TAA-TWA) named him one of the Top 100 Thought Leaders alongside global leaders such as Bill George, Tony Hsieh, Doug Conant, Howard Schultz and others.

Faisal Hoque is a frequent public speaker at entrepreneurship conferences, innovation forums, business schools and leadership summits. His talks are focused on entrepreneurship, innovation, creativity, leadership, mindfulness and social impact. Notably, the CEO Summits at the NY Stock Exchange, Global China Summits, Forbes Business Leadership Forum, Sino-American CIO Summit in Beijing, European CIO Summit in Monte Carlo, MIT Sloan Fellows Program in Innovation and Global Leadership, Thunderbird Sustainable Innovation Summit, BOOTH School of Business - Entrepreneurial Ventures, CFO Magazine Technology Summit, Chief Executive Magazine CEO Roundtables and Yale School of Management CEO Summits, among others.
