Jason Schenker, CMT, CVA, ERP, CFP

Travels from: Texas

Fee Range: \$10,001 - \$15,000

Jason Schenker is the most accurate financial market forecaster in the world. In his role as the Chief Economist of Prestige Economics, *Bloomberg News* has recognized Jason's forecast accuracy in 35 different categories for economic indicators, foreign exchange rates, energy prices, metals prices, and agricultural prices. *Bloomberg News* has ranked Jason the #1 forecaster in the world in 20 different categories for his forecast accuracy.

In 2009, Jason founded Prestige Economics, a top-ranked financial market research firm that offers corporate and institutional clients a retainer service. Prestige Economics also performs management consulting and forecasting projects. Since 2010, *Bloomberg News* has ranked Mr. Schenker one of the most accurate "Bloomberg Best" financial market forecasters in the World in 35 different categories, including #1 in the World in 20 categories for his forecasts of economic indicators, foreign exchange rates, energy prices, industrial metals prices, precious metals prices, and agricultural prices.

For over a decade, Jason has been a keynote speaker and presenter at conferences and an occasional guest host for *Bloomberg Television*, guest columnist for *Bloomberg News* and guest on *CNBC*. In 2012, he authored the Amazon #1 Best Seller, *Commodity Prices 101*. In 2016, Jason authored the Amazon #1 Best Seller, *Recession-Proof*, and the Amazon #1 Best Seller, *Electing Recession*. He recently authored the book *Jobs for Robots* and is also a columnist for *Bloomberg View*.

Prior to founding Prestige Economics, he worked for McKinsey as a Risk Specialist, where he was responsible for directing the content of trading and risk initiatives on six continents. Before McKinsey, Jason worked for Wachovia as an Economist, using functional titles including Chief Energy Economist, Chief Energy and Commodity Economist, and International Economist.

Jason believes strongly in education, and he holds three master's degrees, four graduate, and four professional designations. He holds a Master's in Applied Economics from UNC Greensboro, a Master's in Negotiation from CSU Dominguez Hills, a Master's in German from UNC Chapel Hill, and a Bachelor's with distinction in History and German from The University of Virginia. He also holds a Certificate in FinTech from MIT, a Certificate in Supply Chain Management from MIT, a Certificate in Professional Development from UNC, and a Certificate in Negotiation from Harvard Law School. Jason holds the professional designations CMT® (Chartered Market Technician), CVA® (Certified Valuation Analyst), ERP® (Energy Risk Professional), and CFP® (Certified Financial Planner).

Jason Schenker *continued*

Jason Schenker is an active executive in the FinTech startup scene, as the CEO and founder of the multi-vendor FinTech risk management platform Hedgefly, and as a member of the Central Texas Angel Network. Previously, he was involved in FinTech as the CFO of a private equity crowdfunding startup. In October 2016, he founded The Futurist Institute of America to help analysts and economists become futurists.

Jason is a member of the Texas Business Leadership Council (TBLC), the only CEO-based public policy research organization in Texas, which is limited to 125 members.
