Larry Winget, CPAE

Travels from: AZ

Fee Range: \$15,001 - \$20,000

Larry Winget is the best branded, most recognizable speaker in the business. Many speakers claim to be original, but Larry Winget is THE original. He has established himself as an icon in the world of personal development and self-help. You won't find many people who don't know or who won't recognize him as a result of his five national bestsellers, his thousands of on-stage appearances or his many regular television appearances.

Larry was the first to be willing to take on the "positive attitude" motivational speakers and the Law Of Attraction bozos with his common sense, back to the basics approach. Larry still believes that hard work and excellence are the keys to success and communicates that like no other person on the planet can!

Larry makes you think. He makes you uncomfortable. He offers common sense solutions that are impossible to argue with. On top of all that, he is hilarious.

And remember this: Larry actually speaks. What does that mean? Don't you remember when speakers had original content and were able to mesmerize an audience with just their words and didn't have to rely on a PowerPoint slide show or video clips? Larry does.

Larry is the best combination of credible content as backed up with his 6 bestselling books - award winning speaking performance and experience from having spoken to nearly 400 of the Fortune 500 - and an element of celebrity from his continuous television appearances.

Larry Winget. No gimmicks required.
