Robert B. Tucker is a renowned global futurist and innovation keynote speaker with a client list that includes over 200 of the Fortune 500 companies. President and founder of Innovation Resource Consulting Group, Tucker is an internationally recognized pioneer in the field of strategic innovation. His highly interactive presentations lead audiences on a guided tour inside the world's most creative companies.

Through stories and examples, Tucker encourages his audiences how to tap into the mindset, skillset and toolset of the innovator. He inspires leaders to embrace change, discover opportunity and avoid obsolescence. Known for his in-depth customization, Robert provides your audience with practical strategies, cutting edge insights, and inspiration to take action once back at the office.

During the course of his 28-year career, Robert has worked with groups ranging from the economic development ministries of Singapore, Dubai, and Morocco, to multinational companies like IBM, American Express, and Nestle, as well as numerous trade and technology groups in a wide variety of industries. A former adjunct professor at UCLA, Robert's pioneering research in identifying the critical attributes of innovators became the acclaimed book, *Winning the Innovation Game*.
