Ruben Gonzalez

Travels from: Colorado

Fee Range: \$10,001 - \$15,000

A seemingly "ordinary guy," Ruben Gonzalez wasn't a gifted athlete. He didn't take up the sport of luge until he was 21. Against all odds, four years later he was competing in the Winter Olympics. At the age of 47 he was racing against 20-year-olds in the Vancouver Winter Olympics.

Ruben speaks from Olympic experience. He teaches the personal effectiveness system he used to achieve success again and again in both the Olympics and in business.

He is proof that ordinary people can achieve extraordinary things if they will follow a few simple steps. From Dubai to Dublin, from Coca Cola to the Make a Wish Foundation, Ruben has inspired and motivated audiences around the world. As a Four-Time Olympian and a national luge champion, peak-performance expert Ruben Gonzalez knows how to achieve success again and again. A master storyteller, Ruben uses his Olympic experiences to inspire audiences to think differently, live life with passion and have the courage to take the necessary steps toward their goals - to push beyond self-imposed limitations and to produce better results!

Ruben's appeared nationally on ABC, CBS and NBC. He's been featured in *Time Magazine* and *The New York Times* as well as publications around the world. His articles on peak-performance are read on every continent. His book, *The Courage to Succeed*, has been endorsed by Stephen Covey, Ken Blanchard, Brian Tracy and Dr. Robert Schuller. Mega best-selling author Jack Canfield features Ruben Gonzalez's incredible story three times in his mega best seller, *The Success Principles*. Canfield uses Ruben's story to illustrate three of his success principles; believing in yourself, taking action, and not procrastinating.

His client list reads like a Who's Who of Corporate America: Dell, Coca-Cola, Farmers Insurance, Ortho McNeal, the Million Dollar Round Table, Oracle, Wells Fargo, Century21 and the U.S. Treasury Department.

Ruben has shared the stage with speaking legends Zig Ziglar, Denis Waitley and Tom Hopkins. They've hailed him as a leader of a new generation of personal development speakers.
