With Sam Glenn, "It's all about attitude and it all starts with attitude!" Sam went from working nights delivering newspapers – negative, depressed and sleeping on the floor and barely getting by – to discovering renewed purpose, happiness and humor. Sam had one of the most negative and self-defeating attitudes you would have ever encountered, but something happened that changed everything! It was a chance encounter at a buffet, where Sam accidentally knocked over the legendary Zig Ziglar nearly 23 years ago. This led to a positive friendship between the two and with Zig's encouragement, Sam got on track in a new direction for his life. Today Sam Glenn is known as The Authority on Attitude and highly recognized in the speaking industry as one of the most captivating kick off and wrap up general session speakers. Audiences gravitate to his humor, relate to his stories and embrace his relevant ideas for improving their personal and professional life.
