Fee Range: \$20,001 - \$40,000

Stephen M. R. Covey leads the Global Speed of Trust Practice. A sought-after and compelling keynote speaker and advisor on trust, leadership, ethics and high performance, he speaks to audiences around the world. He is the *New York Times* and #1 *Wall Street Journal* bestselling author of *The Speed of Trust™*, a groundbreaking and paradigm-shifting book.

He advocates that nothing is as fast as the speed of trust and that the ability to establish, grow, extend, and restore trust with all stakeholders is the critical leadership competency of the new global economy. Covey passionately delivers that message and is dedicated to enabling individuals and

organizations to reap the dividends of high trust. Audiences and organizations alike resonate with his informed, practical approach to real-time issues that affect their immediate and long-term performance.

He is the former CEO of Covey Leadership Center, which, under his stewardship, became the largest leadership development company in the world. Covey personally led the strategy that propelled his father's book, *Dr. Stephen R. Covey's The 7 Habits of Highly Effective People*, to one of the two most influential business books of the 20th Century, according to *CEO Magazine*.

A Harvard MBA, he joined Covey Leadership Center as a Client Developer and later became National Sales Manager and then President and CEO. Under Covey's direction, the company grew rapidly and profitably, achieving Inc. 500 status. As President and CEO, he nearly doubled revenues to over \$110 million while increasing profits by 12 times. During that period, both customer and employee trust reached new highs and the company expanded throughout the world into over 40 countries. This greatly increased the value of the brand and company. The company was valued at only \$2.4 million when Covey was named CEO, and, within three years, he grew shareholder value to \$160 million in a merger he orchestrated with then Franklin Quest to form FranklinCovey.

Over the years, Covey has gained considerable respect and influence with executives and leaders of Fortune 500 companies as well as with mid- and small-sized private sector and public sector organizations he's consulted. Clients recognize his unique perspective on real-world organizational issues based on his practical experience as a former CEO.

Covey currently serves on the board/advisory board of several entities, including the Human Performance Institute-the leader in energy management technology-where he serves as Advisory Board Chairman.
